

Party Prompt

Keep the original person from the input as the central focus and he seated, facing forward with a confident smile. He is wearing an open black collared shirt, revealing a gold chain around his neck. His hands are resting on the arms of a dark, ornate chair. Surrounding him are five women. They are all wearing similar shimmering silver or gold sequined mini-dresses with varying necklines (some V-neck, some strappy). Their hair is dark and styled, and they are all smiling and looking towards the man, some with their hands resting on his shoulders or arms. Money, in the form of what appears to be US dollar bills, is depicted falling around the group, suggesting a celebratory or opulent atmosphere. The background is a warm, glowing yellow-orange, creating a spotlight effect on the subjects. The overall lighting is dramatic, highlighting the figures. This should be in 9:16 portrait aspect ratio and maintain the original face of the person in the uploaded photo
